PROFESSIONAL SUMMARY

Data Analyst with hands-on experience in SQL, Python, Power BI, Tableau and Advanced Excel. Skilled in developing interactive dashboards, performing exploratory data analysis, analyzing business KPIs and transforming complex datasets into actionable insights. Experienced in sales and e-commerce analytics, with strong problem-solving and stakeholder communication skills. Currently based in the UAE and available for immediate joining.

CORE COMPETENCIES & SKILLS

- **Data Analysis & Programming:** Python (Pandas, NumPy), SQL, Exploratory Data Analysis (EDA), Data Cleaning, Data Transformation, Data Validation
- **Databases & SQL:** PostgreSQL, MySQL, Joins, Subqueries, CTEs, Aggregate Functions, Window Functions, Query Optimization
- **Business Intelligence & Visualization:** Power BI, Tableau, DAX, Power Query, Data Modelling, Star Schema, Interactive Dashboards, KPI Reporting
- **Microsoft Excel:** Advanced Excel, Pivot Tables, VLOOKUP, XLOOKUP, Conditional Formatting, Data Analysis
- **Tools & Platforms:** Jupyter Notebook, Git, GitHub, Microsoft Office
- **Professional Competencies:** Analytical Thinking, Problem-Solving, Stakeholder Communication, Business Reporting, Team Collaboration

PROFESSIONAL EXPERIENCE

Tech Support Manager (Remote) | GAO Tek Inc, Canada **Nov 2025 – Jul 2026**

• Managed and mentored a distributed global team of 100+ interns supporting software and web products, ensuring consistent support coverage and quality.
• Standardized escalation workflows and updated Standard Operating Procedures (SOPs), establishing clear troubleshooting steps to resolve complex client tickets faster.
• Tracked daily helpdesk request volume and intern activity logs, identifying recurring software bugs and documenting them for the product engineering team.

Data Analyst Intern | Techolas Technologies, India **May 2025 – Mar 2026**

• Queried and analyzed transactional sales datasets using SQL (PostgreSQL, MySQL), developing reusable queries to streamline monthly and quarterly reporting.
• Developed interactive Power BI and Tableau dashboards using DAX, Power Query, and star-schema data modeling, enabling managers to track commercial KPIs and identify performance trends.
• Cleaned and prepared multi-source datasets using Python (Pandas, NumPy) and Excel, handling missing values, duplicates, and structural inconsistencies to improve data quality and reporting reliability.
• Communicated dashboard insights and sales trends to managers and cross-functional teams to support weekly data-driven planning.

Web Developer Intern (Remote) | GAO Tek Inc, Canada **Aug 2025 – Nov 2025**

• Developed and updated responsive WordPress e-commerce websites according to client requirements using HTML, CSS, and basic JavaScript.
• Verified cross-browser performance and mobile responsiveness across site layouts to ensure consistent user experience.

FEATURED PROJECTS

Zepto E-Commerce SQL Data Analysis | SQL, PostgreSQL

- Analyzed e-commerce sales and order datasets using SQL, applying Joins, GROUP BY, Subqueries and Window Functions to extract meaningful business insights.
- Identified peak ordering periods, top-performing product categories and repeat customer purchasing patterns to evaluate sales trends and customer behavior.

Superstore Analytics Dashboard | Power BI, Excel

- Designed an interactive Power BI dashboard to monitor sales performance, profit margins, discount impact and shipping trends across different regions.
- Created DAX measures, interactive filters and visualizations to analyze product category performance, regional profitability and customer purchasing patterns.

Customer Shopping Behavior Analysis | Python, SQL, Power BI

- Cleaned and analyzed 3,900+ retail customer records using Python (Pandas) and SQL to identify purchasing trends and customer behavior.
- Visualized demographic patterns, preferred payment methods and discount usage through interactive dashboards to communicate actionable business insights.

EDUCATION

- Bachelor of Computer Applications (BCA) | Jamia Hamdard Delhi University, Kannur, India
  2022 – 2025
- Data Analytics Training | Techolas Technologies, Calicut, India
  2025 – 2026

CERTIFICATIONS & ADDITIONAL DOCUMENTATION

• Data Analytics Professional Training & Internship Certificate – Techolas Technologies, India
• Experience Letter (Tech Support Management) – GAO Tek Inc., Canada
• Web Developer & Digital Marketing Certificates – GAO Tek Inc., Canada
